Feel free to provide additional information that will be helpful to our team and our customers in the future.

We have been a Craft Made cabinet buyers for 30 years. When we decided to remodel our Florida home I did obtain 3 quotes, 2 of which were craft made. We went to the home show and met Michael and his trailer. Everything he said seemed too good to be true. I went to BBB, great rating. Searched the internet and found NO bad reviews of Glide Lock. Michael came to our house 2 times and did an excellent presentation. Our new cabinets arrived as scheduled and were professionally installed the next day by Michael’s contractor. The cabinets exceeded our expectations. Every bit as good as Craft made at about 35% less. Michael was always just a phone call away to answer any questions. We Love our new kitchen and so do our friends. Thank you for the

excellent customer service and amazingly high quality products. Have a Blessed Day.
