

Glide-Lock Home Interiors Kitchen Cabinet Collections Price Guaranty

Glide-Lock Home Interiors Division guarantees the best price on all of its home interiors collection kitchen cabinets or we will beat the written total delivered price by 10%.

All prices must be in writing, by a registered company doing business with at least one brick and mortar location in the United States of America. The price guaranty is for complete orders of kitchen cabinets consisting of at least 15 or more base and wall cabinets. Furthermore, the customer must present an itemized sales order/ estimate and floor plan that can be verified by this company. All cabinets must be of equal comparison in construction, style, color, trim accessories and fully built ready to install.

We look forward to your business!
